FORWARD

The Spaceport News Index is intended to serve as a ready reference tool for the names, places, and events that comprise the history of John F. Kennedy Space Center. The period covered by the Index is January 1985 through December 1989.

The arrangement is alphabetical by subject; under each subject, entries are arranged alphabetically by title. To facilitate use, cross references have been provided.

The Index was prepared by KSC Library Services. Questions may be referred to KSC Archivist, NWSI-E, 867-2407.
